

**Innovation drives the U.S. economy.  
The R&D tax credit drives innovation.**

*That's why hundreds of small, medium, and large companies from  
across America employing millions of American workers  
ask Congress to*  
***put an end to the tax on American innovation***  
*by seamlessly restoring and strengthening the R&D tax credit now.*

**R&D Credit  
Coalition**  
*Invest in America's Future*
